The claims in this case are complex and novel and are substantial. Also, there are corrections and updates that need to be made to the complaint. 12. An extension will allow adequate time to address these amendments and to obtain proper legal assistance or representation regarding the substantial and complex matters involved in this case.
13. Similarly, the plaintiffs request clarification on how to obtain the summons. The plaintiffs request clarification on whether there is a time limit to amend the complaint or whether the complaint can be amended within a certain time after service.
14. The plaintiffs ask that this request be granted, or any relief deemed just and proper.

Respectfully submitted,
